<b>Emergency Shelter</b>	<b>814-362-5248</b>
Eligibility:	Individuals needing immediate out-of-home placement
Targeted age group (s):	Children and adolescents
Fee for Service:	No

The Emergency Shelter is designed for children and adolescents in crisis who require immediate out-of-home placement. Featuring 24-hour awake supervision, video surveillance, and delayed-lock alarmed doors, this 10-bed facility also has on-site laundry, food service, two classrooms and a gymnasium.

<b>Alternative Education/Intensive Treatment Program</b>	<b>814-362-6568</b>
Eligibility:	Determined by the school district
Targeted age groups:	School-age children
Fee for service:	No

Beacon Light operates multiple privately licensed alternative education classrooms designed to provide additional support to students with special needs, or those unable to participate in a regular education classroom due to mental health or behavioral concerns. Autistic support, life skills, and special education are among the many customized educational settings available. The Intensive Treatment Program (ITP) provides students with additional therapeutic support at the end of the academic day. Group and individual therapy are designed to address mental health and behavioral needs.

**Outpatient Mental Health****814-642-7772**

Eligibility: Those with mental health needs  
Targeted age groups: All  
Fee for service: Insurance, Self-Pay, Medicare, Medicaid

Outpatient mental health services provide professional counseling to children and adults with a variety of mental health concerns. Master's and PhD level clinicians provide individual, family, group, and couples' counseling, as well as psychiatric and psychological testing and evaluation. Consultation is also available regarding probation, dependency and geriatric issues.

**Residential Treatment****814-362-6565**

Eligibility: Physician ordered  
Targeted age groups: Age 7-18  
Fee for service: No

Residential Treatment is for children and adolescents age 7-18 who require out-of-home placement for behavioral health issues. Eight group homes throughout the Bradford community provide 24-hour awake supervision in a structured yet caring setting. Residents receive both individual and family counseling on a weekly basis. Beacon Light also provides specialized residential treatment for youth identified with juvenile sexual offending behaviors.

**Community Based Wraparound****814-362-5245**

Eligibility: Physician recommended  
Targeted age groups: Age 2-21  
Fee for service: No

Community Based Wraparound services are designed to provide support to children and adolescents in a natural setting: whether at home, in school, or in the community. Supported by the child's family, services work to transfer necessary skills to caretakers and children.

**Treatment Foster Care****814-362-5245**

Eligibility: Children needing foster care and treatment support  
Targeted age groups: Age 2-21  
Fee for service: No

Treatment Foster Care is designed for individuals who are not yet ready to return home from care, but who do not require the level of intense treatment provided in an RTF. Individuals reside in natural homes with trained foster parents who provide support and care. Clients meet with Master's level staff on a weekly basis for support of mental health and behavioral issues. Specialized Foster Care for individuals with a history of sexual offense is also available.

**Ramsbottom Center/Adult Day Services****814-362-5250**

Eligibility: Mental Retardation diagnosis  
Targeted age group (s): Age 18+  
Fee for service: No

**814-362-7405**

Ramsbottom Center, Inc. is licensed as an Intermediate Care Facility for individuals 18 and over with mental retardation/developmental disability (ICF-MR). Individuals receive care in either one of three cottages or through community based group homes with staff support. Many residents also participate in the Adult Day Services (ADS) program, where they learn skills for self-support and independence.

<b>Big Brothers Big Sisters of McKean County</b>	<b>814-887-5591</b>

**Bradford Recovery Systems****814-362-8422 or**

Eligibility: Inpatient/Outpatient criteria

**1-800-446-2583**

Targeted age group (s): 14 and up for inpatient; 18 and up for all other programs

Fee for Service: Yes

- **General Psychiatric Unit** (Inpatient): an inpatient psychiatric unit that provides short-term psychiatric services. A treatment team determines therapy modes according to client needs. Admission criteria includes psychosis, suicidal ideations/behavior, voluntary/involuntary admissions, and depression with extreme social isolation and withdrawal.
- **M.I.C.A. Unit** (Mentally Ill Chemically Addicted – Inpatient): a unit for adults who are dually diagnosed with psychiatric and substance abuse problems. Clients receive comprehensive, integrated inpatient therapy from a multidisciplinary treatment team, including individual, group and family therapy where aftercare planning and referral involvement are key components.
- **Alcohol Detoxification Unit** (Inpatient): A managed approach to alcohol withdrawal that is most often the initial step in treating chemical dependency. This program is designed for individuals who require medical detoxification from alcohol and those who exhibit moderate to severe intoxication with impending withdrawal.
- **Short Term Adult Recovery Program** (S.T.A.R. Program): An acute partial hospitalization program that provides day treatment designed to treat and stabilize individuals with acute mental illnesses before their behavioral consequences become severe and unmanageable.
- **Intensive Outpatient Program** (I.O.P. – Outpatient): An outpatient program designed to treat and stabilize individuals with drug and/or alcohol problems before their consequences become severe and unmanageable. The program involves structured group, individual and family therapy to assist the individual in achieving optimal involvement in their community.
- **Electroconvulsive Therapy** (E.C.T. Therapy): administered by an experienced team of medical personnel to treat severe depression and other mental illnesses. ECT helps clients who cannot use or do not respond to medication or psychotherapy.
- **Tobacco Cessation Program**: An individualized treatment opportunity to help overcome the normal cravings associated with nicotine withdrawal.
- **Substance Abuse Professional Services**: Offers an evaluation to individuals who have violated Department of Transportation (DOT) drug and alcohol regulations as well as non-DOT employees. The service facilitates the placement of an employee into an appropriate treatment or educational program.
- **Problem Gambling Treatment**: Offers service for problem and pathological gambling issues, and addresses the individual as well as family issues and guides them in reestablishing a healthy lifestyle.

Bradford, PA 16701      Website: [www.bradford.pa.org](http://www.bradford.pa.org)

***Housing Rehabilitation Program***

The City of Bradford and Bradford Township has in place a housing rehabilitation program that assists homeowners with home repairs. Both the City and Township's housing rehabilitation programs address BOCA housing code violations. The funds are used for a wide variety of rehabilitation needs including new heating systems, electrical, plumbing, foundations, porches, roofs, exterior siding, painting, bathrooms, kitchens and safety (smoke detectors, hot water tank relief valves). Eligibility is based on income.

### **Small Business Incubator Program**

The Robert P. Habgood Jr. Business Development is owned by the City of Bradford and is operated as a small business incubator. Tenants may rent both manufacturing and office space at affordable rates and take advantage of the available shared services and equipment. The purpose of the incubator is to shelter new start-up businesses. Flexibility exists with respect to rental rates and lease terms. Occupancy fluctuates as tenants graduate into the community. The entire complex has been renovated including the upgrading of electric, plumbing, heating and sprinkler system. Space can be further customized to meet tenant needs. Four ample parking lots surround the center. Transportation to and from the facility is available through a wide variety of commercial carriers.

<b>CARE for Children</b>	<b>814-362-4621</b>
--------------------------	---------------------

 Targeted age groups: All ages  
 Eligibility: For specialized services—legal blindness and below 300% of the poverty level. For low vision rehabilitation—severe impairment  
 Fee: No fees, however there is a sliding scale fee for low vision rehabilitation and insurances are billed.

Provides blindness prevention services that includes pre-school vision screening for 1-6 year old children, child eye safety education, and reduced cost eye care for low-income children and adults. Low vision rehabilitation services include evaluations, magnification assistance and follow-up/occupational therapy. Specialized services include blindness skills training, support groups, recreational activities, chore services, shopping, mail, bill and banking assistance, and transportation and escort services.
